サクラサクラ
天使華ラプラ
What's wrong, Shikishima-san?
Beneath the falling sakura petals, the three "LastGens" stand still...!?
The sakura are...

If the flowers don't bloom, the species goes extinct...

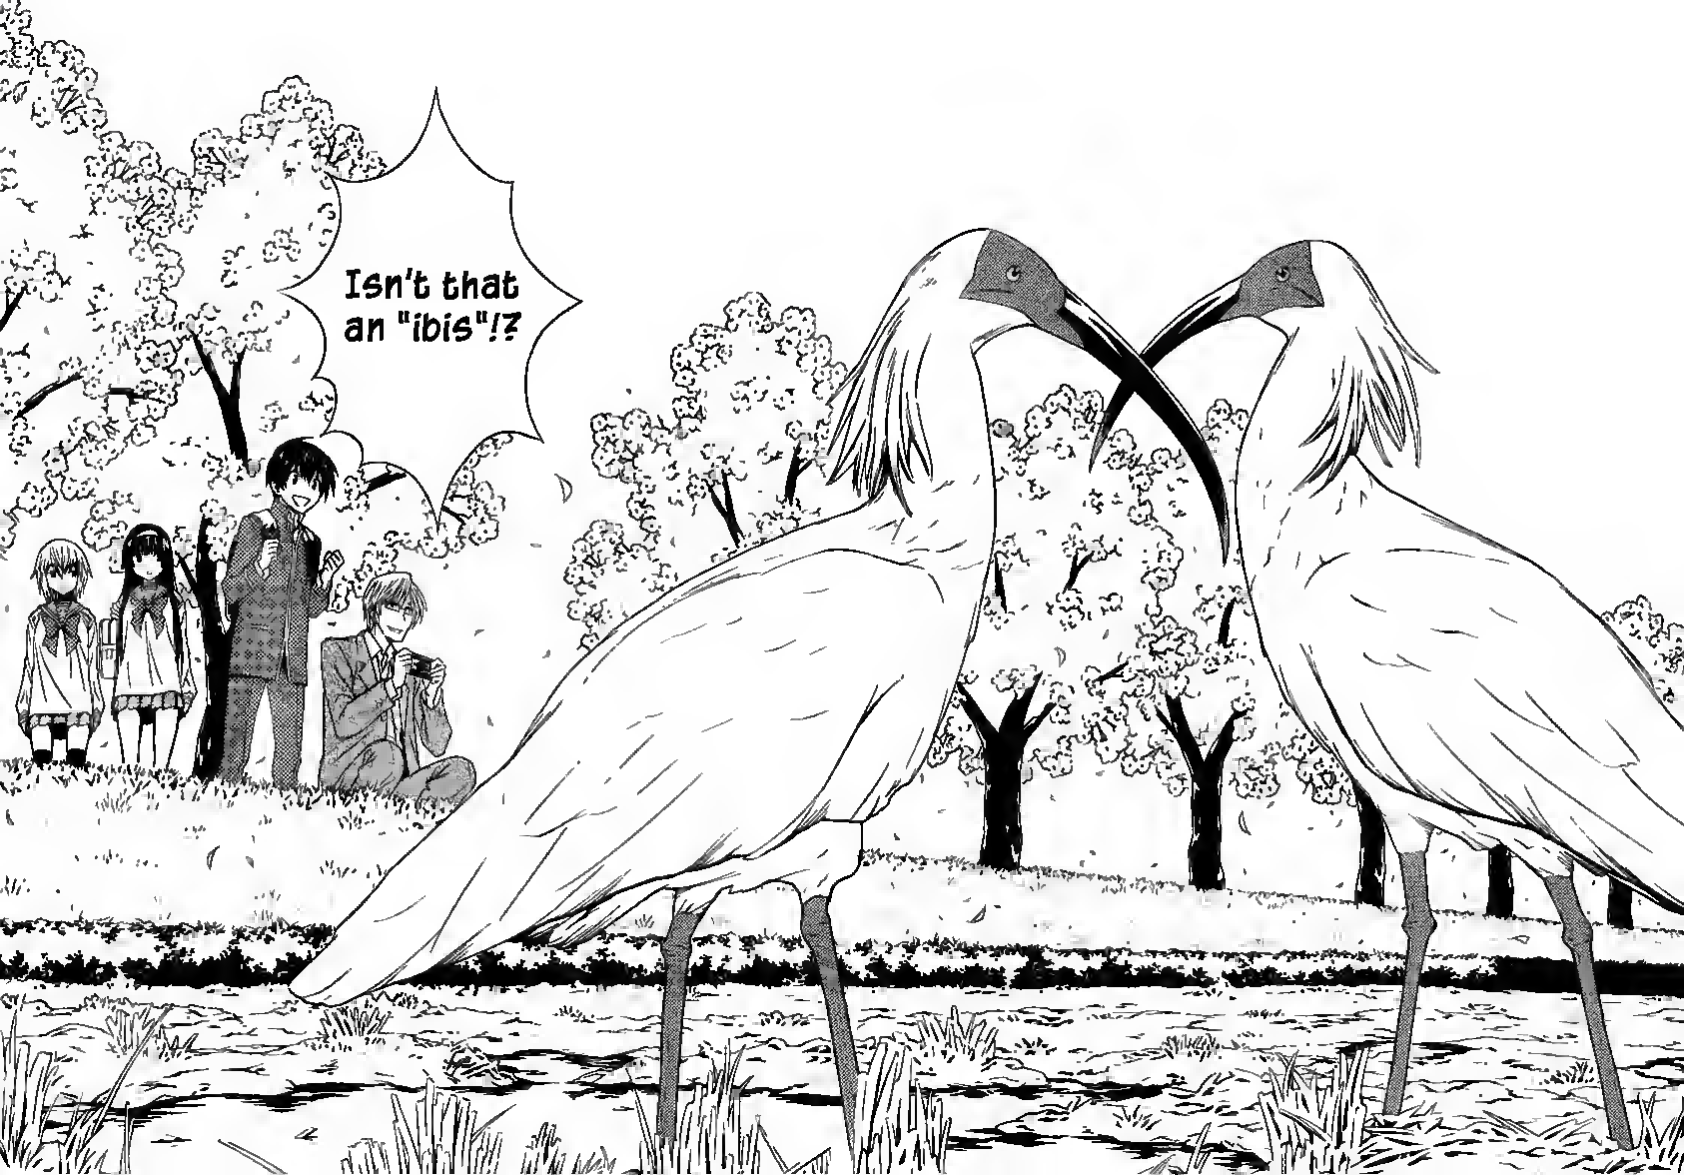
SAKURA SAKURA
Page 5 ● Blood Flows with Time

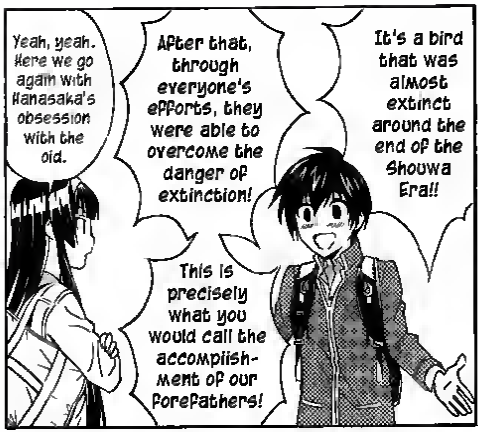
Besides, aren't you being too sentimental? That's not like you, Shikishima-san.
Isn't it only natural for sakura petals to fall?
Hey! What's wrong, Shikishima-san?
Shikishima-san?
Did I say something bad?

I wonder what we'll be doing
Around this time, next year...?
But, yeah... Sakuras feel like precious memories fading away...
Hey— How long are you gonna sulk there, Shikishima-san?
Good morning, Tadano-sensei.
What are you doing here?
Ah!?
Oh! Good morning, Hanasaka.

If there are falling flowers, there will also be blooming flowers...
That is how the world works, but...



Isn't that an "ibis"!?



Yeah, yeah. Here we go again with Hanasaka's obsession with the old.
After that, through everyone's efforts, they were able to overcome the danger of extinction!
It's a bird that was almost extinct around the end of the Shouwa Era!!
This is precisely what you would call the accomplishment of our forefathers!

What's an "ibis"?

Tadano-sensei, is what I'm saying wrong?
And in order to prevent that, they forced them to breed. That's all there is to it.
In the first place, the reason they came close to extinction was because of the actions of the people from that time.

4

We'll be late, so we'll go on ahead.
Well, whatever.
Let's go, Shikishi-ma-san.
Eh!?
No, uh...

Hanasaka Haru. Dreams of having a "school life" and "classmates". A "Shouwa" maniac. Too innocent thus weird.

Himeshiro Sakuraka. Hanasaka's bossy classmate. Grieving for [illegible] she leads the current situation while hating the "old people."

Shikishima Ouka. Hanasaka and Himeshiro's very calciurm classmate. Extremely communication-impaired, but lonely.

N-No! What I meant was that, we should learn from the efforts our forefathers!
Us too?
Anyway, the fact that the ibis didn't go extinct is a wonderful thing.
Why, I wonder?
Why did Himeshiro-san get so mad?
Yeah, it'd be nice if we went down in history too~
I know, right~!?
Well, the ibis in the country have already gone extinct, though...
You're absolutely right~!
Sensei, we'll be late, you know?
Oh!? Oh no! We have to hurry!
Oh! You noticed~?
By the way, Sensei, what's with that camera?
Blah blah blah blah blah
Blah blah blah blah blah
This is one of the country's analog cameras~ It's a masterpiece~ My treasure~

6
It seems that your foot has already healed...
Oh my- Himershi-ro-san...
Why is she sweating?

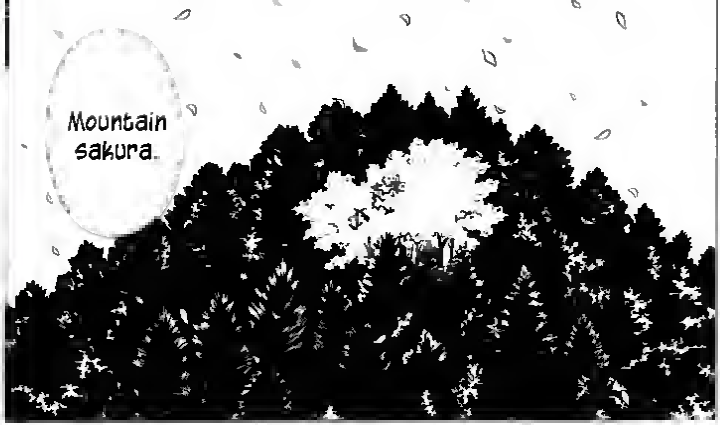
Exactly what I wanted! Be careful, sensei. We wouldn't want the rogatory commission to go after you again.
But don't think that because of that, I'm going to go easy on teaching you!
these past few days
Did you have some business with me, Tachibana-sensei?
Well, it seems that you've been running around looking for me.
I haven't seen you around
Thank god we made it in time.
Somehow, I was able to save my neck, but I got a 3-month pay cut. That's 3 months...! My loan... My food...
Hmph! Thanks to you, the rogatory commission called for me.
Hanasaka! Look! This is what they call corporal punishment!
Tadano-sensei! Isn't this what they call campus violence!?
7
Hey, Tadano-sensei.
Um, yeah...

Hey, wait.
I want to use your camera!
We have some of the latest, state-of-the-art cameras here.
Does it have to be this camera?
You want to take a picture?
Hime-shiro-san! We're not done talking yet!
About that bird earlier, and that camera... Hanasaka, you should control your obsession with the past already.

That may be true.
But, even so...
If it weren't for that, then you wouldn't be fed up with the higher-ups forcing you to stop, right!?
Anyway, you should stop how you uncon-ditionally value things from the past!

As a memory of us three.
Even so, I want to take a picture with that camera.
ハート
A memory of us three, huh...
Thanks.
Fine, I'll accompany you with that.
8
You can even choose which angle you want it from.
ガガガ
So much, you'd get sick of them.
If it's just your pictures, then there's a mountain of high-resolution ones in the data bank and...
FuFuFu. How stupid.

If possible, I wanted to take it below a sakura tree...
But, where do you want to take it? In the schoolyard?
So, taking a picture is completely okay with me.
10
The petals are completely in Falling Mode, too.
Ooh!?



Mountain sakura.

But, when will we go? After class?
Let's go, everyone!

Um, you know, the film that this camera uses is ultra-precious, so...
I'm not a loli hag!
Loli hag, you've got a good side, huh?
I'm looking forward to it!
I don't mind if you take the time for my PE class.

...
...
...
...

In the first place, why do you seem to be the most excited one, Tachibana-sensei?
Even though we're going to the mountains, you're still gonna wear a bloomer, huh?

Anyway, let's head for the sakura tree! Let's go!!
Sh-Shut up everyone!!

Now then, everyone, are you ready?

13
Tadano-sensei! Do your best! We just started climbing!
As expected. A hill of this level poses no difficulty for you.
It's because I'm young. Sensei, don't force yourself and act your age.
My~ Is that what you're saying? A challenge?
Another challenge, huh? Please, try to keep your body as the only thing that's not mature.
You sound so arrogant, but in truth, you're just scared of losing, aren't you?
Please, don't say stupid things. Who'd even think of losing to someone older than myself?

Hey!
Wha!?
You're the one who's in the way, Sensei! Move out of the way!
You're in the way, Himeshiro-san! Get out of my way!

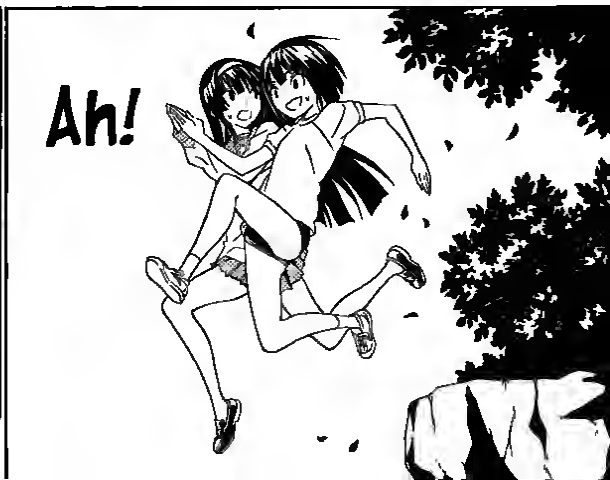
Well... They're really energetic...
Actually, I've admired these ever since I was a kid...
By the way, Sensei. How did you get your hands on that camera?
You make it sound like you're foreigner.
You could even say that the reason I came to this country was to get this camera...!
Yeah, I'm not from this country.
The film is one that's really precious!
Anyway, the problem isn't this camera!
Huh? Where's Shikishi-ma-san?
I had to ask a favor from an acquaintance of mine to get me some~
It's really expensive, and the stock itself is really few
15

You're the first student to ever make me do this much.
You're good for a "LastGen" kid!

This is also my first time meeting an adult like Sensei.
I don't think of you as adult though, in more ways than one.

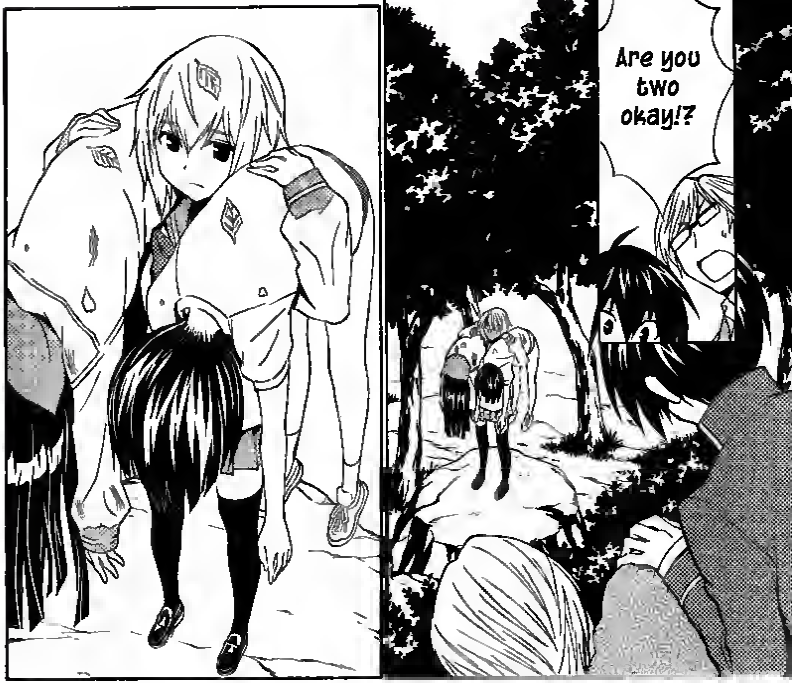
Just because you're an adult, that doesn't necessarily mean you're better than me!
You better learn to respect your elders already!

Kya!

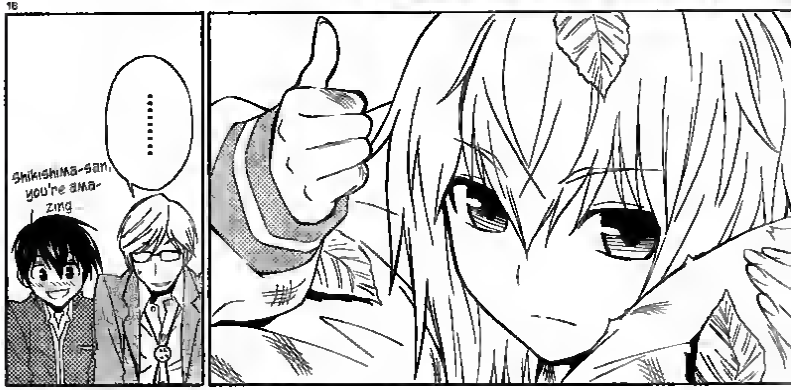


Ah!

Shikishima-san!?
Thank you, Shikishima-san.
You saved us.
Just don't forget that this film is very precious so-
KYAAAAAAAAAA!
Ah!
トイ



Are you two okay!?



16
.....
Shikishima-san, you're ama-zing

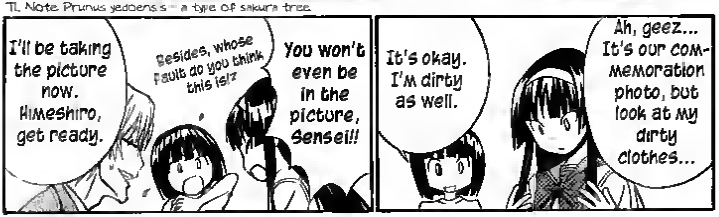
!
Hey, Hanasaka. Why do you like things from the past so much?
But...
How many times must I tell you that you shouldn't put the "last generation" in danger!?
Next time, it wouldn't end with just a pay cut!
.....
Sigh... Well, I do understand the feeling of wanting to play with your very first student...
I do understand that there's something weird with that, though.
For some reason, I couldn't help but think that things from the past were nice...
After that, a lot of adults came and raised me...
When I was small, I used to live alone with my grandfather.
Sorry.
If you're aware of it yourself, then at least be more skeptical, okay?

Well, whatever.

Yay! We're finally here!

But, it's too big that it won't fit in the film...
Whatever did we climb for...?
It's much different from a prunus yedoensis.
It's much bigger than I thought!

TL Note: Prunus yedoensis – a type of sakura tree.



I'll be taking the picture now. Himeshiro, get ready.
Besides, whose fault do you think this is!?
You won't even be in the picture, Sensei!!
It's okay. I'm dirty as well.
Ah, geez... It's our commemoration photo, but look at my dirty clothes...

Himeshiro-san, you have to look at the lens...
22
Say cheese!
Okay.

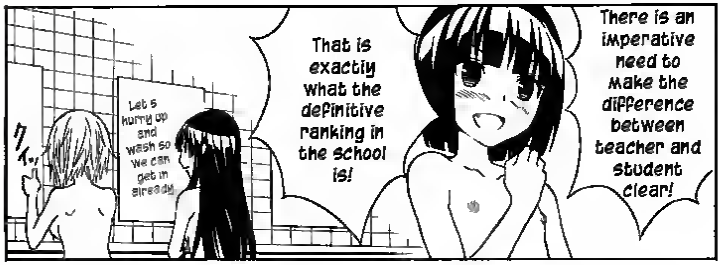
Why did you just jump in!?
Because-- I wanna be in the picture too--
This is bad... There's just one more left...
Isn't that okay?

Let's take a picture with Sensei.
Hanasaka!!
Really? Thank you, Hanasaka-kun! ♥
Okay, Himeshiro-san?
Hanasakaaa!

There's only one shot left, so let's do it right this time, okay?
SQUEEZE
SQUEEZE
24
Your face is red. Do you have a fever?
!

You don't seem to have a fever... Maybe it's a cold?
Eh!? Himeshiro-san, you're not feeling well?
Wha-
What are you...
Are you okay?
Do you feel cold?
It feels like, whatever
Waaa!
Kyaaa!
Stop it!
Waaa!
Geez! I don't know!
Wha-
What are you-

STAFF BATH
Aren't you teachers being unfair? Having such a big bath...
Wooow! It's so big!
Be sure to wash up properly before getting in the bath.
But of course!

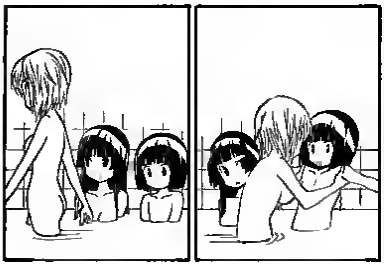


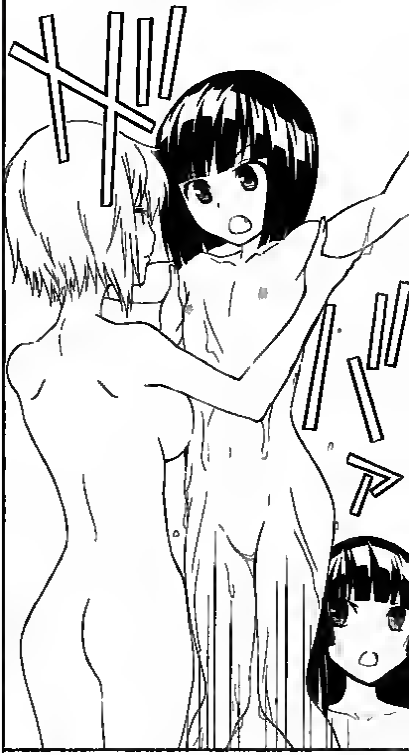
Let's hurry up and wash so we can get in already.
That is exactly what the definitive ranking in the school is!
There is an imperative need to make the difference between teacher and student clear!

That I could call my sanctuary.
Sigh. This place This was the only place...

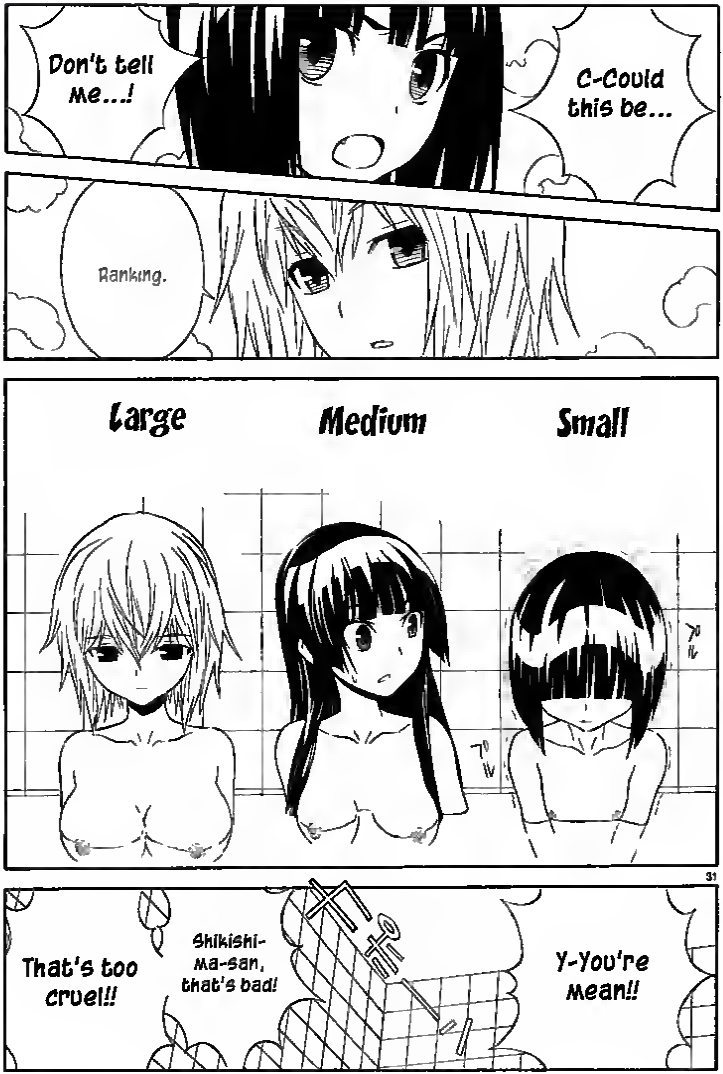
Hmph.
You sounded so arrogant when you called it "ranking" and stuff, but in the end, you're just a kid inside.
Wh-What?
29

I'm a teacher, you know!
What are you doing!?





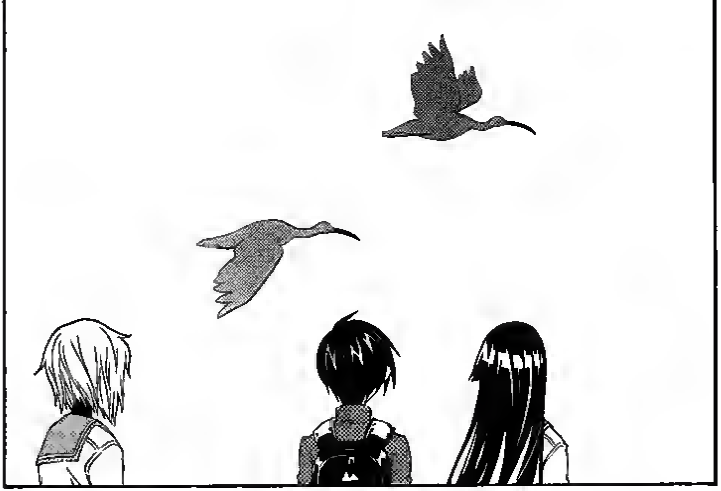
……



Don't tell me...!
C-Could this be...
Ranking.
Large
Medium
Small
31
That's too cruel!!
Shikishi-Ma-san, that's bad!
Y-You're mean!!

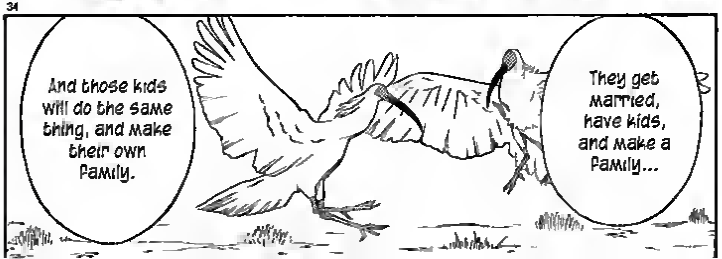
Sorry about today. You had to use your precious film...
And then, you do this...
Don't worry about it. I enjoyed it anyway.
And, I was in the picture too.
Oh!
Here, look at it.
32

.....
Geez, today was just so ridiculous.
How long are you gonna keep looking at that picture?
That's not the kind of picture you wanted, right!?
Well, sure, a lot of things happened...
But, I'M happy.
And it's pretty different from what I thought it'd be...
33
Ah, geez...

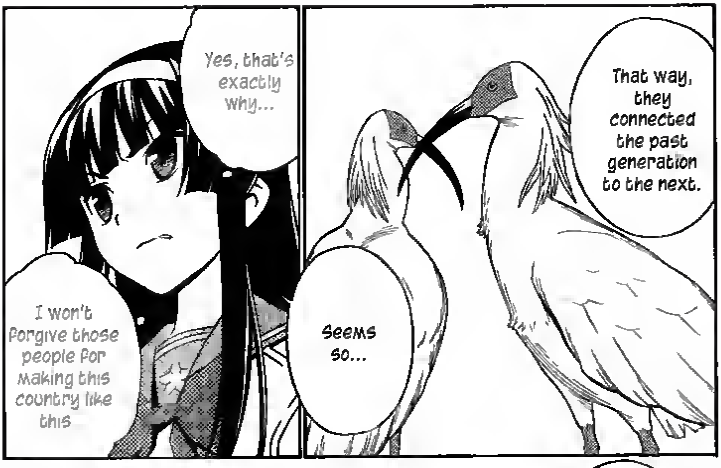


Beautiful . . o o
It's kinda....

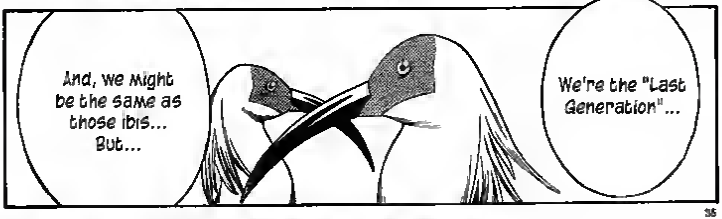
You know, the people from the past...



And those kids will do the same thing, and make their own family.
They get married, have kids, and make a family...

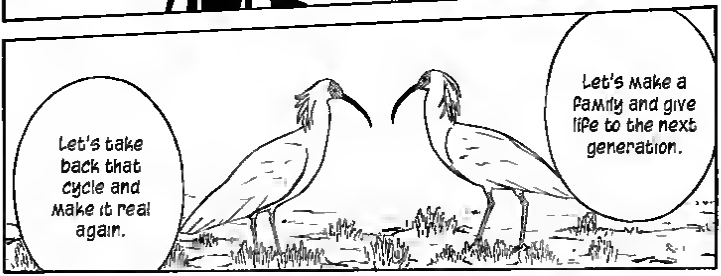


Yes, that's exactly why...
I won't forgive those people for making this country like this
Seems so...
That way, they connected the past generation to the next.



And, we might be the same as those ibis... But...
We're the "Last Generation"...

Let's change that.



Let's make a family and give life to the next generation.
Let's take back that cycle and make it real again.

With our own abilities.

Doing it isn't as easy as just saying it, you know.

Wait a second... Doesn't that means he wants to procreate with me...
And make kids...?

What's wrong, Himeshiro-san? Your face is red. Maybe you really do have a fever...

.....
Geez, I don't know anymore! Stupid!
What? What is it, Himeshiro-san?

How ridiculous...
Ah.....
Hikeshiro-san?
What is it?

38

This is Hanasaka after all. He probably hasn't thought about the details yet anyway...
Geez! It feels like I'm the only one who's actually thinking about this!
AAAAAARGH!

I'll do my best.
Everyday is really fun.
This time, I'm in a different place... With my classmates, and strange teachers.
Oji-san.
So please, watch over me.
39
ドキ

In the midst of the falling sakura petals, Ouka collapses.
Dancing with the sakura whirlwind are bright thoughts...
